A screenshot of a website article page. At the top, there are two banners: one for 'rationell reinigen GEBÄUEDIENSTE' with a vertical 'ANZEIGE' label, and another for 'Deutsche Handwerks Zeitung'. Below these is a green bar with the 'handwerk-info' logo. A navigation bar contains links for 'DISKUSSIONSFORUM', 'SUCHEN', 'SITEMAP', and 'KONTAKT'. On the left is a vertical menu with links like 'HOME', 'NEWS', 'TIPPS', 'SPECIALS', 'SERVICE', 'E-MARKET', 'FORDERUNGSMANAGEMENT', and 'BRANCHENSOFTWARE'. The main content area is titled 'Nachrichten' and features an article with the headline 'Facility Management: Länderübergreifende Kooperation'. The article text describes a partnership between RESO Partners and AIS Management. At the bottom of the article, it states the date 'Datum: 05.09.2006 / Quelle: Rationell Reinigen'.
